

## General Rules of the Marina

- No person shall discharge oil, spirits, flammable liquids or chemicals into Marina waters or trash receptacles ... EVER.
- All vessel owners and operators are expected to be considerate of other boaters with respect to parking spaces. Parking of RVs and campers or trailers is strictly prohibited.
- Hoses and electrical lines may not run across the docks. Laundry shall not be hung on vessels or rigging. Docks and finger piers must be kept clear.
- Painting, scraping or repairing of gear is not permitted on the Marina docks or finger piers without prior written permission.
- Subject to the Marina's discretion, disorderly conduct by a vessel owner, visitor, or guest may cause the immediate removal of the vessel in question.
- All vessel owners and operators of vessels shall immediately reimburse the Marina for any damage which they, their guests, or their vessel may cause to the Marina.
- Pets are to be on a leash, and in or on the owner's vessel at all times. Pets are not to be left tied to catwalks, docks or sidewalks and owners are responsible for clean-up.
- Fishing is permitted from the boater's slip area only. Clean fish only at the designated area, and please do not put fish waste or bait in the trash cans.
- Discharge of fireworks is prohibited.
